

Digital City Tour of Paderborn Description: Explore Paderborn's historical sights with an interactive, digital guide.

Download the "Actionbound" app on your smartphone or tablet to embark on a self-guided tour. GPS navigation will lead you through the city, while historical recordings, 360° photos, informative texts, and audio contributions enhance the experience. Start at the Tourist Information Paderborn and end at the town hall.

Tours last approximately 2 hours and are available in German and English. Tablets can be rented from the Tourist Information if needed.
